Dream, Believe, Achieve

Grade 10 students, Mr Greg Titmuss and Mrs Jill Bennett proudly show their signed 2014 Inspiring Futures Charter.

Full report on page 3
We are farewelling Mrs Keenan this Wednesday as she has been successful in receiving a Literacy Teacher role in Learning Services North. These are newly created leadership positions formed by our new government, with a key focus of building literacy in key areas of our state challenges. Wouldn’t it be wonderful if Mrs Keenan could one day assist us at Cressy!

Mrs Keenan will be sadly missed as the AST of Grade 7/8. We have been privileged to have Mrs Keenan as part of the Leadership Team for the last six years. She has shown enormous care for every student and strong curriculum leadership, particularly in Literacy and Numeracy. We thank her for her great enthusiasm, passion and commitment and wish her all the very best in her new position.

We are delighted that Mr Rae will replace Mrs Keenan in her AST role and we are yet to finalise exact class teaching allocations in both 7A and 7B. As soon as these appointments are complete, this information will be shared. We are aiming for Mr Rae to continue on his class for a portion of the week and the replacement teacher to also support Mrs Emery in the teaching of 7A. In the interim, if there are any queries, I am very happy to assist.

Launceston College opens their major college production of "Seussical" on Wednesday 25 June. We will be sending our senior Drama students to attend their production as we always endeavour to support these quality events. Past students, Jack Wilson and Emily Miller are involved and best wishes are extended to all who are performing on stage or who are working behind the scenes.

This week we welcome Miss Hannah Kilpatrick and Mr Leyth Gard as student teachers from UTas. We hope their time with us is one of great learning and enjoyment. Miss Sally Plowright is also assisting us in a volunteer student teacher capacity. We really appreciate this and thank Sally for her assistance.

I hope that everyone has a great rest and is able to recharge their batteries over the holidays. Please stay safe and have a good break with your family. Thank you for all your support during Term 2.

You may or may not have noticed but the Foods and MDT Department building has recently had a new Colourbond roof installed. As you can see by this photo it has made an amazing difference to the building and now all buildings at the school have had their roof replaced. No more leaks!

Thank you to the Department of Education Facility Services for funding this improvement.

School Business Manager
Congratulations - our Inspiring Futures Charter Signing was a great success. So many people contributed and deserve recognition and thanks for their support and achievement. These include:

- The Grade 10 students and their teachers,
- Mrs Lester for her leadership
- The Beacon Career Ambassadors
- Parents and community members who attended and assisted the program
- The numerous assembly performers, including guest performer Reuben Koops
- And the team of school staff who helped with organisation.

Every year we set ourselves the goal of ensuring every student transitions from high school and is retained in either, further education, training or employment. We achieved this last year. Our retention rate is 100%. This is an educational dream come true!

Congratulations to the Grade 10 students who made a commitment to pursue their preferred future. We are very proud of them, as a Grade and individually.

Canberra Voices for Justice Conference

Voices for Justice Trip - On Saturday 14th June some of the students attending this week’s Voices for Justice Conference in Canberra went with a team from the Longford Rotary Club to bag up sheep poo at one of the local farms. The Longford Rotary Club have sponsored part of the costs for one student to attend the conference, so the students went along to help make up bags of sheep poo that will be sold as a fundraiser to cover the costs for the conference. The Rotarians, spoke very highly of the three students who came along and helped out, and were impressed with their work ethic on the day. Well done Sinead Bell, Caleb Clifford and Chloe Harris for your hard work on the day, and a big thanks to Mr Denne for helping to organise this and for the wonderful support from the Longford Rotary Club.

Mr Nick McKinnon - School Chaplain

ARE YOU BEING CYBER SMART?

These suggestions will assist to make you Cyber Smart.

- Make sure your computer has a good filter and other monitoring/blocking software to minimise dangers.
- Make sure you are on safe and suitable sites. Filters CAN sometimes fail to protect you and your computer.
- There should be rules at home about what information you can put onto websites or share with others. The best idea is to not share any information WHATSOEVER.
- Remember that the internet is PERMANENT….be mindful of what you post and how you portray yourself. Pictures and comments can remain FOREVER. Teach your parents the language of the cyberspace. Go through all the abbreviations with them. See http://www.cybersafetysolutions.com.au and look at the parents tab and kids tab.
- THERE SHOULD BE ABSOLUTELY NO EXCHANGE OF PERSONAL INFORMATION!
- Social Networking profiles such as Facebook etc SHOULD BE SET TO PRIVATE.
- Social networking site friends should be people that you know in real life., This is one way to reduce possible risks.
- An ‘online friend’ that you don’t know in real life is a STRANGER.
- Passwords MUST NOT BE SHARED!!!! Choose passwords that other people cant guess…..not your favourite food or pet’s name. Passwords should be a mix of capitals/letters/numbers/symbols.

**7/8 Modules Changeover**

The beginning of Term 3 marks the change-over of half year modules for Grade 7 and 8 students.

For the second half of the year, students have opted into:

- Applied Technology with Mr Goss
- Digital Photography with Ms Breaden
- Foods with Mrs McCrimmon
- Drama with Mr Tabe

As students chose their modules at the end of 2013, classes are already formed. If students wishing to change modules need to have a discussion with their class teachers before the end of Term 2. Changes will only be made on sound educational reasons, otherwise we encourage all students to stay in their module and have-a-go!

Full year modules, on Friday block 3, will remain unchanged.

Mrs Cilla Keenan - AST Middle School
Cressy's After School Activities Program
Thanks to the generosity of our wonderful Early Year’s Committee, Cressy’s After School Activities Program has been an outstanding success! On Monday afternoons, Maurita Taylor and Tamieka Goss have supervised Dance and Multi-Skill Activities for over 50 students. They have been assisted by student leaders and committed parent volunteers! The last session for this term was on Monday 23rd June and will re-commence for Term 3 on Monday 4th August. Details will be sent home with families during the first week of term. If you are a member of a club or sporting group and would like to be involved in Cressy’s After School Activities Program, please contact our office on 63976281 – we would love to hear from you!

Bravehearts Performance
This Thursday morning “Bravehearts” will be visiting our school to give a performance to Prep – Grade 3 students around Child Safety. “Bravehearts” aims to empower, educate and protect children by providing healing and support, prevention and protection strategies against sexual assault. If you have any questions or you would like to attend this performance, please see your child’s class teacher.

Primary Assembly
There will be a Primary Assembly on Friday 27th June at 10.15 am in the Speech and Drama room. The hosting class is 4/5 Hodges. This will be quite an important assembly as Bronze and Silver Credit Certificates will be presented. Gold Credit Certificates will still be presented in the Whole School Assemblies. If your child is receiving one of these certificates, their class teacher will send an invitation to attend. We hope to see you there!

Parent/Teacher/Student Discussions
Next week families are warmly invited to attend Parent/Teacher/Student discussions. If you have not yet returned your invitation to request a discussion time, please do so, or phone/email the office for an appointment. It is a wonderful opportunity to discuss your child’s progress, receive their comprehensive mid-year report and celebrate their achievements!

Holiday Reminders:
Always remember that holidays are a great opportunity to spend time with your children and expose them to the fantastic facilities that are often free in our wider community. Some examples include:

- A visit to the Longford or Launceston Library to borrow some books, sit and read together or join in the holiday activities
- A visit to the Museum in Launceston to see the wonderful exhibits
- A walk in the Cataract Gorge, along the swinging bridge and see the peacocks
- A drive to the beach and explore the environment and rock pools
- Go for a drive and walk to the Liffey Falls and have a picnic
- Participate in the holiday activities offered at the Longford Community Centre

But most importantly, encourage your children to read as much as they can during the holidays! Have a happy and safe holiday and we look forward to seeing everyone on Tuesday 22nd July.

Mrs Anna Goss - Primary AST

Discover Agriculture Camp - Victoria

Since recently attending the 3½ day Discover Dairying Camp, I decided to attend the 6 day Discover Agriculture Camp in Victoria to see what else the industry had to offer.

Coming from Tasmania and never actually being to Victoria before, I found it very interesting to see how differently everything is done.

My main highlights for the whole camp were visiting Grant and Lisa Williams Rotary Dairy and Caprilac Goat Dairy. At the rotary dairy we were able to “get our hands dirty” and do some hands on work. As I have a real desire to work in the dairy industry it was a great experience to see a goat dairy in operation and be able to compare it to a cattle one. I feel the hands on approach is the best way to learn and I thoroughly enjoyed it.

Some other places we visited were Hydroponic Tomatoes, Fonterra at Darnum Park, Ellinbank Research Farm, Graham Stuckey’s Grain and Beef Farm, Bridie Anderson’s Sheep/Wool & Beef/Cropping Farm, Steven and Lisa Harrison’s Merino Stud and Traf Tractors.

Miss Shania Bird - Grade 10A

The Esk Band in Launceston Competitions

Recently, some of our students from the Esk Band program performed in the Launceston Competitions. For those who are unaware, the Esk Band is a program which is run out of Launceston College by Peter Quigley. Tutors come out to schools weekly and teach students how to play brass and woodwind instruments. The merits of this program is invaluable because it not only fosters musical ability, but it has been proven that understanding music can help the brain to work which in turn can increase academic outcomes across the whole schooling platform. We are very lucky to be included on the Esk Band roster and the social gains from participation are also noteworthy.

In conjunction with the program, interested students are able to join one of three levelled bands who practice weekly at Launceston College. This year two of our Esk Band students, Dyontae Barnes and Liam Nicholson, are participating in one of these three bands. They performed commendably at the Launceston Competitions and are to be congratulated on their success. It really is a fantastic program and it’s all thanks to the hard work and planning of its founder, Peter Quigley. I know the students are all looking forward to performing in our Expressions Concert next Term and also the Esk Band Extravaganza later this year.

Indoor Soccer 2014

Girls Indoor soccer has played well, making a great start to the season. We have two teams, and both have only been defeated once so far, placing us in a favourable position on the competition ladder.

Teams we have played so far have been Prospect, St Pats, Port Dalrymple and Kingsmeadows. All teams have displayed great sportsmanship, making the competition fast and fun each week.

In one game against Prospect, we won 11 – 3, with Ronni Beaumont being the highest goal scorer. Last week we defeated St Pats 8 – 2, with Sage Barnes being the highest goal scorer.

We have a strong mix of new and experienced players across a range of grades this year. In attack we have: April Dennis, Danielle Saltmarsh and Ronni Beaumont. In defence we have Sharnee Johnstone, Bobbi-Lee Brazendale and Sharni Laycock.

Shania Bird has been a weekly umpire for us, and Tiffany Mole our scorer. We look forward to further developing our skills and continuing the season on a winning note.

SCHOOL REPORTS IN TASMANIAN GOVERNMENT SCHOOLS

WHERE TO START
• You will be updated on your child’s progress through a range of communications including written reports and parent-teacher meetings. Some schools also have meetings between the teacher, parent and student.
• Parent-teacher meetings are an opportunity for you to meet your child’s teacher(s). You can discuss the information provided in your child’s report and become more involved in your child’s learning.
• You can talk to your child’s teacher at any stage to discuss your child and their progress.

REPORTS
• School reports show how well your child is achieving in the curriculum for the year group.
• School reports are based on a wide range of evidence the teacher collects.
• As the subject areas of the Australian Curriculum are being implemented from 2012, assessments and reports will change slightly to reflect the new curriculum.
• Where both parents require a copy of the child’s report please contact your principal.

DID YOU KNOW?
• It is important to be involved in your child’s education and to know how your child is progressing with their learning.
• School reports and meetings with your child’s teacher give you the chance to see how your child is doing at school and to meet their teacher.

WHERE CAN YOU GET MORE INFORMATION?
• Contact your local school with any questions about school reports.
• Visit the Department of Education website: www.education.tas.gov.au
What's happening in Grade 10 English?

Students have been reading and responding to a range of genres and critically analysing a variety of texts. They have also focused on advancing their skills in the craft of writing, through conferencing and feedback. As a short term focus students were explicitly taught the techniques of juxtaposition and the use of hyperboles, metaphors, similes and onomatopoeia. They were provided with multiple options to transfer their learning and demonstrate their level of skill acquisition. One such opportunity was to respond to a writing competition, What Matters? Isaac Clifford, Lauren Horne, Emily Jessup, Bailey Richardson provided innovated responses and are to be congratulated on their submissions.

Chelsea Burt and Caleb Clifford not only aspired to this challenge but Chelsea was the state-wide winner of the 9-10 section and Caleb was the runner up. They are both inspirational, talented writers who created unique, innovative responses with a strong sense of conviction about what matters to them.

Chelsea and Caleb will attend a ceremony in Hobart on Wednesday 2nd July to be presented with their prizes. Their work will be published on the Department of Education website. Chelsea will further attend a Young Writers Forum and an awards ceremony in Sydney in August, where an overall winner will be selected from the ACT, Tasmania and NSW.

Their success comes from their dedication and desire to achieve and make the most out of every opportunity. Chelsea and Caleb are to be congratulated on their achievements.

It’s Lambing Time on the Farm!

Mr Nick Goss has been very busy delivering lambs on the school farm.

There was most excitement in Grade 3/4 Brophy when they had a visit from some of the new arrivals.

The whole class is pictured here with a set of triplets.
Inter-High Cross Country Success

On Tuesday 10th June Cressy sent thirty-two students to compete at the Inter High Cross Country Carnival at Kings Meadows High School. All participants were met with perfect cross country conditions. Throughout the carnival all students competed extremely hard with some outstanding individual and team results. Overall, Cressy had 3 students finish in the top twenty-five place getting’s combined from both the 1st and 2nd School Divisions. Of particular note Connor Neil, Ben Donohue and Daniel McCullagh placed in the top 3 places for division 2 schools.

Connor Neil not only finished in the top 3 in Division 2 but won overall across all Grade 7 boys to take out the gold medal. This result was the best finish by an individual in at least the past fifteen years by a Cressy student.

With Cressy sending a very strong team it wasn’t surprising that we participated well in the team section of the carnival with the Grade 7 and 9 boys teams winning the Division 2 titles. Congratulations to all who participated and thank you to all parents, friends and relatives who came to support the team.

Beauty and the Geek Social

On Tuesday 27th May, many of our primary and secondary students looked positively geekish and/or beautiful as they enjoyed our social to support the Look Good, Feel Better campaign for the Cancer Council. Our warm thanks to all student leaders, staff and students for their support.
